

## American Lincoln Part

American Lincoln Parts - The American Lincoln division is now linked with the Nilfisk Advance Industrial Group in Plymouth, MN, USA. They specialize in floor cleaning machines that are recognized within the industry as strong and durable machinery which meets all the needs of larger infrastructure and heavy industry. Products made in America; the sales are conducted nation- wide through national accounts, authorized distributors and direct Government sales.

The Clark Company, of Nilfisk Advance, and American Lincoln share the battery operated walk behind model of floor scrubber. Clark has their manufacturing facilities located in Springdale Arkansas. These types of scrubbers are accessible in the market under the brand name "Encore". American Lincoln can supply warranty service, equipment and parts for these types of scrubbers which have both the Clarke and Encore logos.

Distributed in Target and Wal-Mart distribution centers, the 7765 floor scrubber model is the highest selling floor scrubber in American Lincoln's line and the 7765 has become a trusted model for many facility managers where results and efficiency count. Recently, this floor scrubber model has been requested by the architects in different construction jobs like for instance Lowes Home Improvement Stores and Home Depot's. Flooring contractors use this sweeper scrubber on location because of the model's excellent quality and supreme performance level for polishing concrete.
