

## **Lull Telehandler Parts**

Lull Telehandler Parts - Lull telehandlers have been providing precision load placement ever since 1959. Whether the task entails positioning heavy steel, landing loads on scaffolding or transferring loads, utilizing a Lull telehandler would really help make the job go faster and easier. These units are complete along with the patented Stabil-Trak stability system to be able to ensure operator confidence.

The Lull horizontal load placement system supplies 80 inches of boom travel for precision placement capabilities. A wide range of optional accessories is available for Lull telehandlers to help do whichever job.
